

As an Over The Road truck driver I have found that XM Instant Traffic & Weather Reports are up to the minute and much more accurate and extensive than the local stations. In addition, they cover all of the freeways letting us know which routes are best. They let us know exactly where the traffic tie-ups are and how to get around them without interfering with the Investigators.

Please reject NAB's petition 04-160.

Thank You,

Bernard C Watne
